Learning & Leading through Complexity

Intensive Winter School

2020

Progetto "Forward" (MIUR ID85901)

The objective of this program is to present a series of 3-hour webinars held by expert Professors in the areas of adult learning, leadership and organizational change on the subject of transformative learning as a tool for preventing radicalization in organizational contexts.

These webinars aims to support the development of students through intensive learning workshops that will be facilitated by the principal faculty of the University of Georgia and the Teaches College, Columbia University.

L'obiettivo di questo programma è presentare una serie di webinar di 3 ore tenuti da docenti esperti nelle aree dell'apprendimento degli adulti, della leadership e del cambiamento organizzativo sul tema dell'apprendimento trasformativo come strumento di prevenzione della radicalizzazione nei contesti organizzativi.

Questi webinars hanno lo scopo di supportare lo sviluppo degli studenti attraverso laboratori di apprendimento intensivi che saranno facilitati dai docenti dell'Università della Georgia e del Teaches College, Columbia University.
